STUDENT HISTORY INFORMATION (complete for grades 6-12)Student's Name: _____ Birth Date: _____ / _____ / _____
Month Day Year

Washington State law (RCW 28A.225.330) permits a school district to request that you briefly indicate in writing whether the above-named student has any past, current, or pending disciplinary action or any history of violent behavior. This same statute also requires school districts to request school records of such actions or behaviors. This information will be used to plan for the appropriate placement and program for the student and to ensure the safety of others. The existence of disciplinary actions or violent behaviors will not, by themselves, bar the enrollment of the student.

The Tukwila School District Board of Directors has also determined that the absence of records known to exist implies an immediate and continuing danger to the student or others, or an immediate and continuing threat of substantial disruption of the educational process. In such cases, enrollment may be delayed until a complete set of records is received, and the student and parent will be provided with notice and an opportunity to appeal in accordance with the District's procedure for emergency expulsions. (Refer to board policy 3120).

As it relates to the above-named student, please check all that apply:

- ☐ I certify that the above-named student has no past, current, or pending disciplinary actions.
- ☐ I certify that all past, current, or pending disciplinary actions taken against the above-named student are described on an attached sheet or on the back of this form.
- ☐ I certify that copies of all school records of past, current, or pending disciplinary actions taken against this student are attached to this form.
- ☐ I certify that the above-named student has no history of violent behavior.
- ☐ I certify that all instances of the above-named student's violent behaviors are described on an attached sheet or on the back of this form.
- ☐ I certify that copies of all school records of the above-named student's violent behaviors are attached to this form.

I declare under penalty of perjury under the laws of the State of Washington that the certifications checked above are true and accurate to the best of my knowledge and belief.

By my signature I acknowledge that although I am not required to release my student's records, I am giving my consent to release the information. This release will remain in effect while my student is enrolled unless I revoke such consent in writing. Note: Information will be provided in written format; no information will be released over the phone.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232(g); 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record.

TUKWILA SCHOOL DISTRICT (TSD) – NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) and OPT-OUT FORM

Under the Family Educational Rights and Privacy Act (FERPA), parents/guardians of students under age 18, and students over 18 years of age (“eligible students”) have certain rights with respect to the education records of a student. If the student is 18 years old, even if living with the parent/guardian, the student has all the rights under this Act. These rights are:

- (1) The right to inspect and review their education records within 45 days of the day TSD receives a written request.
- (2) The right to request the amendment of an education record for a student that the parent or eligible student believes is inaccurate or misleading. If TSD decides not to amend the record, TSD will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the education records of a student, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by TSD as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a student teacher; a person serving on the School Board; contractors (a person or company with whom TSD has contracted to perform a special task, such as an attorney, auditor, medical consultant, or therapist); consultants; volunteers; or a parent or student serving on an official committee or assisting another school official in performing his or her duties. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, TSD discloses education records without consent to officials of another school where a student seeks to enroll.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by TSD to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W.; Washington, DC 20202.

Directory Information: Under FERPA, TSD may release “directory” information to anyone, including but not limited to parent-teacher organizations, the media, colleges and universities, the military, youth groups, and scholarship grantors, unless you tell TSD that you do not want the information released. The following information is considered directory information: parent and student name, home address, home telephone number, home email address, student photograph or video, student date of birth, dates of enrollment, grade level, enrollment status, degree or award received, major field of study, participation in officially recognized activities and sports teams, height and weight of athletes, most recent school or program attended, and other information that would not generally be considered harmful or an invasion of privacy if disclosed.

Release of Directory Information for Students in Grades Nine to Twelve (9-12)

As a parent/guardian of a high school student or an eligible student (reached 18 years of age), you have the right to choose between three (3) options on whether directory information concerning your student is released or not.

The United States military requests and is entitled to the names, telephone numbers, and addresses of “secondary school students,” unless the parent/guardian or eligible student checks either box B or C. The military typically requests this information in October of each academic year. If you do not want information to be released to the military, you **must** check box B or C and return this form by **October 1** in order to ensure that your selection is recorded in time. If you do not want information to go to colleges, employers, parent groups, or the military you must check box B.

Parents/guardians of high school students and eligible high school students are encouraged to remember that checking Box B or C means that TSD will not release directory information to the military. However, it does not mean that the military might not gather student information from other, non-school district sources. Additionally, checking Box B or C does not prevent military recruiters from speaking with your student when the recruiter is on campus.

Please check one box below and return this form to the school your student attends no later than **October 1**. If the **parent/guardian or eligible student does not check one of the boxes or does not return the form, or checks box A as well as other boxes, TSD considers this response as consent for box A.**
